Agenda

The agenda consisted of "Opening Ceremonies" featuring keynote and musician Stan Davis and "Inspirational Awards" honoring Carly & Jim Hellen, Jack Shepburne, & Jack & June Liberman, local community members for their commitment to healthy aging lifestyle. The health fair portion was interactive with assessments, raffles, demonstrations, and opportunities to attend a quick movement class. Thank you for celebrating longevity with us!

Keynote: Stan Davis

Stan Davis presents music and storytelling that entertains and inspires. His songs and guitar playing reflect a wide range of life-long influences - from Doc Watson to John Fahey, from Richard Farina to Rory Block, from Cheryl Wheeler to Dave Bromberg, from Mose Allison to Ray Charles. Stan interprets others' songs with a fresh eye and ear and presents his own songs of survival, aging, love, life, and the absurd-sometimes all in the same song. As he approaches his seventieth birthday, an increasing number of his songs focus on the gifts of aging- perspective, grandparenthood, and inner strength.
