Join us for a ½ day seminar that explores how CBOs can leverage the healthcare systems' quality measures and build sustainable payment models.

We encourage 2 or 3 people from a single organization to participate. Bring your team!

EXPERT PANELISTS

- Elder Services of the Merrimack Valley, Inc. (Massachusetts)
- Nancy Connelly, Director of Strategic Development, Southern Maine Area Agency on Aging
- Lisa LaBonte, Director, New Opportunities, Inc (Connecticut)

GOALS

- Unravel the mystery of healthcare quality indicators
- Understand the impact of payment source as drivers for quality indicators
- Understand how social determinants of health map to health systems and plans
- Learn from CBOs that have contracted with health systems and plans
