

University of New Hampshire

College of Health and Human Services

Communication Sciences & Disorders

The University of New Hampshire (UNH) is committed to enhancing and sustaining an educational community that is inclusive and equitable, and cherishes these values as being inextricably linked to our core mission. We are a public institution with a long-standing commitment to equal employment, educational opportunity, and clinical services for all qualified persons. The University does not discriminate on the basis of race, color, religion, sex, age, national origin, sexual orientation, gender identity or expression, disability, veteran status, or marital status, in admission or access to, or treatment in programs or activities associated with the Department of Communication Sciences and Disorders and the UNH CSD Clinical Programs.
