Hashtag: #UNHAgeOfChampions

Full Details: <http://bit.ly/UNH-AgeOfChampions>

Facebook Event Page: <https://www.facebook.com/unhageofchampions>

Event Description

The Age of Champions Health & Wellness Fair is a community-oriented intergenerational wellness event, made possible by the Center of Aging and Community Living (CACL) in partnership with UNH and several vendors and sponsors from throughout the New England region. The event provides high-impact, real-world experience for UNH students about to head out to the workforce and introduces the community to informational resources, organizations that serve older adults, demonstrations, and workshops to engage participants in the joy of healthy aging. The 2023 Age of Champions Health & Wellness Fair will be held on Saturday, April 22, 2023, from 10 AM – 1 PM at the UNH Lundholm Gymnasium in Durham, NH, and will feature free parking. Our motto is “It’s never too soon to age well!” For more information, contact Bridget Drake at Bridget.drake@unh.edu or visit <http://bit.ly/UNH-AgeOfChampions>.
