**Department of Kinesiology  
Application for Graduate Assistantship**

**On a separate sheet of paper, please describe the skills you possess that will enable you to be an effective graduate assistant in the Department of Kinesiology. In your description, focus on the following items:**

- 1. What experience or skills do you have that would help you contribute as a GA?**
- 2. In what ways can your work as a GA enhance your master's education and career?**
- 3. What areas would you most excel at and be interested in contributing to as a GA within the Sport Studies program (including: research, working with a faculty member, current or future projects, etc.)?**
- 4. What ideas do you have for enhancing women's athletics at UNH?**
- 5. Describe your interest and/or passion for enhancing women's athletics/gender equity in sport.**
- 6. What previous experience do you have involving women's sport and/or gender equity in sport?**

**Please e-mail this graduate assistantship application by March 25th to:**
