Application to Transfer into Sport Management & Leadership Major

Policy

The Sport Management and Leadership major accepts and reviews internal transfer applications once per year. There are multiple parts to the application process, and it is the student's responsibility to complete all aspects of the application. The checklist below may be used to assist students in organizing their required application materials. It also serves as an application cover sheet. **Deadline for applications is December 1, 2024 4:00 pm.** All admission decisions on internal transfer applications for the Sport Management & Leadership major (SML) will be made by the SML faculty. Space in the major is limited by available faculty and staff resources. Applications are reviewed between semesters after the registrar's office posts final semester grades. The faculty will consider overall GPA, grades in prerequisite courses, performance in SML courses, activities, and resume. Only completed applications will be considered. Applicants will receive a letter of acceptance or denial from the SML Major Coordinator. All decisions are considered final.
