Sharyn Zunz Travel Scholarship Application

The purpose of the Sharyn Zunz Scholarship Fund is to provide meritorious scholarship support to undergraduate and graduate students majoring in Social Work and participating in an international or domestic academic study and travel program through the University of New Hampshire. Recipients must demonstrate financial need and be in good academic standing.

Dr. Zunz believes that travel is a means of widening one's perspectives through firsthand exposure to people and cultural institutions beyond the traveler's usual experience. She established this scholarship to enable graduate and undergraduate social work students to participate in educationally sponsored travel with the goal of expanding their appreciation for the diversity of human experiences.

Priority for this scholarship will be given to students participating in courses sponsored by the UNH Department of Social Work.
